

# CHRISTMAS SEASON 'TELCO INDUSTRY EMBARGO'

We are fast approaching that time of the year where much of the Telco industry operates with reduced staff & imposes an embargo on many aspects of network construction activity.

**EMBARGO DATES: 21<sup>ST</sup> DECEMBER 2011 – 4<sup>TH</sup> JANUARY 2012**

## **RESTRICTED**

- Most customer installations & network construction activity
- Works by other carriers within 'their' embargo periods

## **NOT RESTRICTED**

- Fault rectification
- Capacity changes that can be done with remote configuration changes
- Provision of services where the work required does not conflict with the embargo

If you have any further queries about your network please do not hesitate to contact your Nextgen Networks Account Manager.

**ENJOY YOUR CHRISTMAS SEASON &  
WE LOOK FORWARD TO WORKING  
WITH YOU IN 2012.**
